KS2

Additional sports mentioned were rounders,

KS1

The most popular identified were tennis, gymnastics and cricket.

What have been your sporting highlights at Swallowdale this year?

KS2

KS1

Highlights were boogie bounce, skateboarding and the race for life all which were part of National School Sports Week. Following this was curriculum PE lessons.

Enjoyment of PE

In KS2, the % of boys that enjoyed PE during 2017 - 2018 remained the same as previous at 95%. There has been a welcome increase this academic year with this % increasing to 96.8%. The % of girls enjoying PE has risen once again. There has been an increase of 1.68% which shows the girls at Swallowdale are continuing to engage with and enjoy the sports provision at Swallowdale.

In KS1 there has been a slight dip in enjoyment – 6.9% in comparison to last year. To address this ongoing pupil conversations and close work will be done with the teachers in KS1 shall continue to ensure the provision is tailored to the children's desires.

Use of sports coaches

Where possible, local coaches are employed to ensure strong links are made with clubs in the area which in turn provides sporting pathways for the children. The sports coaches at Swallowdale work closely with the class teachers to provide valuable CPD. The sports provided are based on teacher needs but also pupils voice to ensure full engagement and benefit to the children and staff.

As a result, 100% of KS1 said they had once again enjoyed working with sports coaches this year.

In KS2 95.4 % of children enjoyed working with coaches during curriculum and after school sessions which shows a 1% rise overall. There has been a slight decrease (1%) in the number of boys who have enjoyed working with coaches but the amount of girls coaches has increased yet again, this time by 2%.

Feedback shows the pupils have felt the coaches to be professional, skilled in their field and beneficial to the pupils' skills progression.

Inter Sports Tournaments

Unlike last year, KS1 have not had the opportunity to take part in any sporting tournaments outside of school this year – this will be addressed on the 2019/2020 action plan. However, the children have participated in competitions within school and positive feedback has been received from these opportunities.

In comparison to last year, there has been a slight increase in the number of children taking part in inter sports competitions. There has been a slight drop in the number of boys that have taken part but yet again there has been an increase in the number of girls getting involved. Also this year two of the mixed teams (table tennis and change for life) reached the Level 3 stages of the competitions.

Extra-Curricular clubs

Swallowdale has continued to push the number of after and before school clubs available throughout the year. There has been a 3% increase in KS2 participation compared to last year. On average 50% of pupils have engaged in extra-curricular activities every week including 35% of the least active pupils identified. Based on pupil feedback, the clubs available will continue to expand next year with an increased number of staff also getting on board. There is hope to have at least 75% of KS2 pupils taking part in an extra-curricular activity.

Sports clubs outside of Swallowdale

There has been a continuation to work with local coaches at Swallowdale and an increased emphasis to promote clubs and further opportunities in the area. This has had a significantly positive effect as last year's decline of KS2 pupils that attend a club outside of school has rectified itself with a significant 14% rise for KS2 and a 3% rise for KS1 this academic year.
