Headteacher: Mrs S Harries

Dear Parents,

We have some exciting news: all Year 1 and Foundation Stage children will be coming home today with a **new** reading book.

Your child may come home with a different coloured band to previously, but please be assured the book will be matched to their phonic ability. The books are banded differently because they follow the Read, Write, INC scheme we use at school.

Books will only be changed with adult support, so that children will always have the right coloured band.

We really hope you enjoy sharing these new books with your child at home.

Regards,

Miss Jackson
Phonics Lead
