

Dear Parents,

In order to support children with their reading, this year we are introducing 'Red Word Bookmarks'. Red words are words that children cannot phonically decode therefore it is important for children to learn these words by sight.

The book marks are made to match your child's level of reading. You will notice these words throughout their reading books. Once your child moves onto a new reading band, they will receive a new bookmark.

All children will be working on these words in school. However, children would benefit from support with these at home too. There are lots of fun ways you can support your child with learning to read and write these words:

Once your child has learnt to **read and write** these words we would like to celebrate this with them in class.

Regards,

Miss Jackson
