The Swallowdale Smile

Dear Children of Swallowdale,

You have once again been absolute superstars as you have come back to school so well and settled into your new classes and routines. We have all been very impressed with how well you have listened and shown kindness to yourself and your friends in school. You are indeed a real credit to our whole school community but most importantly, to yourselves and you should be very proud of that. We are proud of you! It is so lovely to walk around school again and feel the buzz of lots of happy children who are working and learning together. I can see from our Teams assemblies how happy you all are- this is now my favourite time of the week! I am really excited for the year we have ahead together as there will be lots of opportunities and challenges for us all but I have no doubt that we will all continue to Fly High together. Remember Be Safe; Be Respectful and Be Prepared.

Summer Fun for Swallowdale!

Happy Campers

Declan, Leo and Maisie have enjoyed a week away in their new tent. They had lots of fun and made lots of memories.

One, Two, Three, Four, Five

Jack and Rhys love their fishing and have both managed new PBs over the holidays. Jack's is now 11lb 3oz and Rhys's is 8lb.

Go team Slator!

Little Donkey

This year we spent a week in sunny Blackpool. Lots of fun was had. Up the Tower, scared in the dungeons, fish in the Sealife centre, lots of wax celebrities at Maddam Tussaud's, a fun filled day at the pleasure beach and a beach day with a donkey ride!

Feeling Crabby?

Tyla-Rose managed to catch a baby crab on her holiday to Brixham in Devon, She was really brave and held it for this photo.

Move Over Lewis Hamilton

This is Theo from YR at his first go kart race at Tattershall.

Surf's Up!

Here is Ayrton surfing at Perranporth beach. The weather was good and the waves were great! We had a lovely holiday.

Messing About of the River

This is Tenisha enjoying a two week holiday on her narrowboat. Here is she enjoying a cuppa on the roof.

Surfer Chick

Jane was lucky enough to spend a lot of time by the sea this summer. She fished, swam, body boarded, drove a boat and surfed. It was great fun but a nightmare getting the sand out of her hair.

Climb Every Mountain

Isla climbed a mountain over the summer. It was called Stickle Tarn in the Lake District and was 1500ft high. It was tough going but as a family team we all made it. Incredibly proud of her determination!

Making Memories

Marcel and Lena had an amazing summer cuddling furry friends and eating ice cream.

Cheeky Charlie

Here is Charlie having his first ever driving lesson. Where are the 'L' plates?

Pass it on by Sophy Henn

It's great to feel happy, but how much better is it to share your happiness with others? We are taught to share our toys with others. But what about sharing a laugh, so someone who's feeling a little less sunny has a reason to smile? This picture book is about sharing your positivity.
