

Allocation for academic year 2023-2024: £19110

Number of pupils on roll: 371

The Sport Premium funding has been provided to ensure impact against the following:

ALL pupils leave primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

The funding should be used to develop or add to the PE, physical activity and sport provision already provided at Swallowdale and build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.

It is expected that schools will see an improvement against the following 5 key indicators:

1. The engagement of all pupils in regular physical activity – 60 minutes a day, of which 30 minutes should be in school
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport
